INGRAM ROAD 2019

‘THE TRADITION’ SHIRAZ CABERNET
HEATHCOTE-YARRA VALLEY VINEYARDS

Our Ingram Road Shiraz Cabernet is an ode to the ‘traditional’ Australian red wine. The shiraz fruit from our cambrian soil planted vineyard in the Heathcote region provides full-bodied dark fruits and intensity and is complemented perfectly by the structure and length that Yarra Valley Cabernet is famous for. A perfectly balanced Australian red is the result. Time and circumstance have finally allowed for our family to create this iconic Australian blend and the potential this wine displays in its youth has us all extremely excited for what is to come.

WINEMAKING

The fruit is de-stemmed and crushed into our open top fermenters to undergo primary fermentation for 12 days. The wine then spends up to 6 weeks in the fermenters going through post ferment maceration to extract maximum colour and tannins from skins after which it is pressed off to French oak barrels for 12 months.

TASTING NOTES

Good clarity and hue; the restrained alcohol provides a fresh medium-bodied wine with clear-cut black and red fruits, the tannins well weighted and giving drive to the finish.
