DOGHOUSE BEERS

Archie's Blonde Ale

8

Pale Australian malts, hops from three continents, and a bright, clear flavour and aroma profile makes this beer easy to enjoy. Proof positive that 'Blondes have more fun' – just ask Archie!

Ava's Wit Bier

8

A spicy Cascade hop aroma is followed by a crisp, fruity ale flavour delivered in a smooth, creamy body makes this wheat beer immensely refreshing. And just like it's namesake Ava - impossible to say no to. Delicious!

Caesar's India Pale Ale

8

Subtle malt profile and fresh, fruity hops using a classic American pairing of Amarillo and Cascade, Caesar's IPA is a refreshing hoppy ale with a lingering bitterness, that doesn't play games – as was Caesar, too wise for that!

Brutus' Amber Ale

8

Malt driven, cool soft caramel tones, silky chocolate characteristics, this warm hug of a beer delivers just enough bitterness to balance the sweetness. And as was Brutus' truly good for the soul.

OUR WINES

Helen's Hill Single Clone Reserve

18 per glass

Ingram Rd is great. Helen's Hill is exceptional. The Reserve is ...beyond. Sometimes, when we have done our work and left the rest to the wine gods, mother nature shines and gives us fruit that goes above and beyond any other. When it happens – we bottle it, and call it Helen's Hill Reserve Pinot. We reckon it's pretty amazing and worth every sip. See what you think.
